As St Mary and St Giles Nursey is part of St Mary and St Giles Church of England School, we share the same ethos and aims as the main school.

"Our aim is for all to belong to a safe and happy community which celebrates our diversity and differences. Our children will be well prepared for the next step of their journey as responsible citizens. We aspire for all to flourish."

Every child is a gift from God – Psalm 127:3

At St Mary and St Giles we have high expectations of learning, behaviour and respect for each other. These values underpin everything we do. Our teachers strive to create independent, articulate thinkers and learners who have the confidence to achieve their ambitions. This drives us in our pursuit for excellence every day.
