

The Write Stuff

The Write Stuff approach is used to teach writing across the whole school.

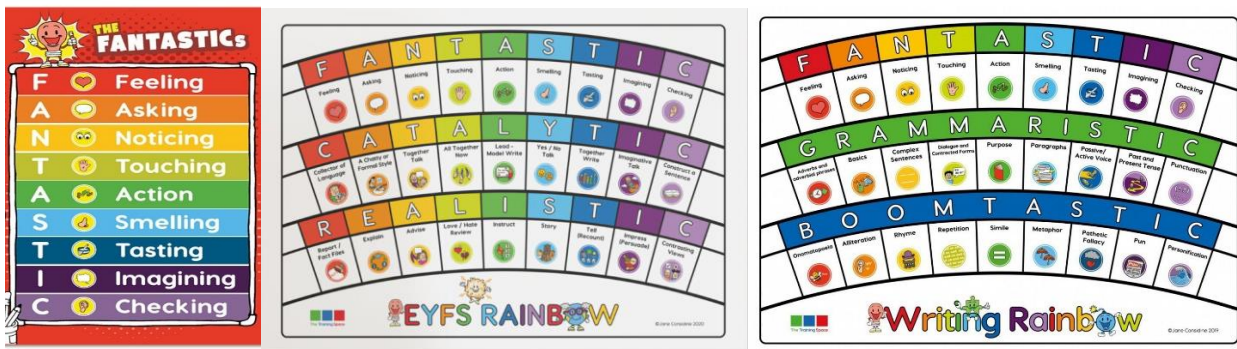

Parent/Carer Information - Part One – The FANTASTICs

The FANTASTICs are at the top of the Writing (& Reading) Rainbows. Writing Rainbows appear as posters in all classrooms.

The FANTASTICs on the Reception (EYFS) Writing Rainbow are the same as Key Stage One.

The circles on the rainbow are called lenses. Your child will be taught how to include these lenses in their writing.

See below how these lenses are used in a Little Red Riding Hood text.

You can support your child at home by helping them to recognise the lenses, and when they are reading to you or you are reading to them, noticing when any of the lenses are used in the book being read.
