Admission Arrangements for St Mary and St Giles Church of England School.

September 2024

St Mary and St Giles Church of England School has a distinctive Christian ethos which is the centre of school life. We provide an inclusive, supportive, and caring environment shaped by Christian values in which children can learn and flourish. We welcome applications from all members of the community irrespective of whether they are of the Christian faith, another faith, or no faith. We have two schools in, Stony Stratford and Galley Hill.

Catchment area

The catchment area for St Mary and St Giles C of E School for the 2024 – 2025 academic years will be:
South Site: Reception to Year 6 Galley Hill, Fullers Slade
North Site: Years 3 to 6 Stony Stratford, Calverton

Admission numbers

The school has a capacity of 420 children aged between four and eleven years.
In September 2024 St Mary and St Giles Church of England School will admit up to 90 children in Year 3 at North site.
In September 2024 St Mary and St Giles will admit up to 30 children into Reception at South Site.

Starting the school in Years 1-6 – application process

Parents wishing to make an application for all primary aged pupils who require a place either during the school year or at the start of the school year who are not in the normal 'starting school for the first time' coordination process will need to make an application to the council. Further information and the application form is available online at <https://www.miltonkeynes.gov.uk/schools-and-lifelong-learning/school-admissions>

Once a completed application is received, if there are vacancies at the school in the relevant year group, the child will be admitted. If, however, the school is oversubscribed, the application will be declined. Parents may request that their child is placed on the school's waiting list and the right of appeal will be offered.

Oversubscription criteria

When the school is oversubscribed, after the admission of pupils with an Education, Health and Care plan naming the school, priority for admission will be given to those children who meet the criteria set out below, in priority order:

1. Children who are looked after (LAC) and all previously looked after children (PLAC) including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted. (IAPLAC).
2. A sibling at the school who is expected to still be in attendance at the time of entry to the school at the time of admission and the place of residence is within catchment of the school.
 - Sibling is defined as a child of the parent/carers partner where the child for whom a school place is sought is living in the same family unit at the address as that sibling.
3. The child's place of residence is within catchment area of the school and there is no sibling on roll at the school.

4. There is already a sibling at the school who is expected to be on roll at the school at the time of admission and the place of residence is outside of the catchment area.

5. Children of staff at the school

Priority will be given to children of staff in either or both of the following circumstances:

- where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or
- the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

6. Other children

1 A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

2 A sibling is defined as a birth sibling and includes step siblings, foster siblings, adopted siblings and other children living permanently at the same address.

Tie-break

Where children of multiple births are tied for the final place, we will admit such siblings even if this means exceeding PAN. For other children where oversubscription results in the PAN being reached within one of the five priorities, then priority will be given to those living closest to the school using distance between the child's home address and the school's main entrance, measured in a straight line by the council's computerised system. If two applicants live exactly the same distance from the school, random allocation will be used as the ultimate tiebreaker.

For applicants living in flats, the distance will be measured from the school's main entrance to the front door of the block of flats which serves the child's main residence.

Waiting lists

A waiting list will operate for each year group. Where in any year the school receives more applications for places than there are places available, a waiting list will operate until the end of the end of the academic year. This will be maintained by the school on behalf of the Academy Trust and it will be open to any parent to ask for his or her child's name to be placed on the waiting list, following an unsuccessful application.

Children's position on the waiting list will be determined solely in accordance with the oversubscription criteria. Where places become vacant, they will be allocated to children on the waiting list in accordance with the oversubscription criteria. The waiting list will be reordered in accordance with the oversubscription criteria whenever anyone is added to or leaves the waiting list.

Infant Class Size Legislation

St Mary and St Giles Church of England School is required to comply with the infant class size rules which requires that each Reception, Year 1, and Year 2 class must have no more than 30 children with a schoolteacher.

Appeals

All applicants refused a place have a right of appeal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code.

Appellants should contact the school for information on how to appeal. Details will be included in your decline letter.

Deferred entry for infants

Children reach compulsory school age on the prescribed day following their 5th birthday (or on their fifth birthday if it falls on a prescribed day). The prescribed days are 31 August, 31 December and 31 March.

Parents offered a place in Reception for their child have a right to defer the date their child is admitted, or to take the place up part-time, until the child reaches compulsory school age. Places cannot be deferred beyond the beginning of the final term of the school year for which the offer was made.

Admission of children outside their normal age group

Parents may request that their child is admitted outside their normal age group. When such a request is made, the Academy Trust will make a decision on the basis of the circumstances of the case and in the best interests of the child concerned, taking into account the views of the head teacher and any supporting evidence provided by the parent.

Parents requesting such an admission should do so in writing to the Chair of the School Governing Body who will make a decision on the matter in consultation with the Head teacher.

A decision will be based on the individual circumstances of each case and in the best interests of the child concerned. This includes taking into account the parent's views; information about the child's academic, social and emotional development; where relevant their medical history and the views of a medical professional; whether they have been previously educated outside of their normal age group and whether they may naturally have fallen into a lower age group if it were not for being born prematurely.
