Art

Write a fact file about a famous Expressionist painter. You should include some of the main facts about their life and work and a copy of one of their most well known paintings.

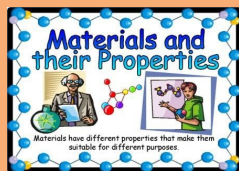

Geography

Research the impact that the deforestation of the Amazon rainforest is having on the people and animals that live there. Write a report that highlights the issues and make some suggestions about how deforestation could be reduced or stopped.

Literacy

Write a review of our class reader, 'The Explorer' by Katherine Rundell. Your review should include: details about the book including the title, author and publisher; a short precis of the plot and the main characters; your most and least favourite parts of the book. Give the book a star rating of 1 to 5 and suggest why you would or would not recommend the book to a friend.

Science

Make a class information poster based on this term's topic about properties and changes of materials. Include a glossary of terms such as solute, solvent, solution and reversible and irreversible changes. Try to include pictures and diagrams that might help children remember the key vocabulary and facts you have learnt about this term.

Year 5 Autumn 1

Choose one or more of these challenges to complete this half term. You will need to submit your work during the week beginning Monday 16th October 2023

You are also expected to complete regular reading, tables and spellings practice.

Art

Create an expressionist picture of a family member using media of your own choice. Write a paragraph about your picture explaining some of your choices. Make references to your use of colour, shape and line. Your picture could include words that best express your feelings about that person.

Music

Thinking back to our unit, 'Here come the Egyptians,' try to create your own simple graphic score a bit like the Heiroglyphic score used in lesson 2. You can design your own symbols. Remember to keep your graphic score clear and simple, using just percussion instruments.
