

In RE we will be thinking about how light is used in celebrations.

Can you find out about any festivals, events or celebrations that use light.

Some suggestions:

- Diwali
- Hannukah
- New Year

Bonfire Night (5<sup>th</sup> November)

Include facts about what the celebration is remembering and why light is important.

Find out about how clothes changed from the Stone Age to the Iron Age.  
What did people wear in each of these eras?

What were their clothes made from?

Did they wear jewellery?

When did people start weaving material?

You can present your information any way you want to, for example, a poster, a PowerPoint presentation or a book.

Computing

This half term we will be creating a presentation about ourselves. In order to help complete this task, why not collect information and pictures on the following areas of your own life:

- Early childhood memories - favourite toy/trips
- Hobbies and interests
- Goals and ambitions
- Fun Facts - Something that makes me unique

Create and make a healthy alternatives meal for a family. Think about what you can swap to make the meal healthier.

You could present your ideas in a restaurant style menu, take pictures of you preparing and eating the meal and ask your family for reviews.

Year 3-Autumn 2  
Our topics for this half term are:

- Through the Ages
- The Skeletal System
- Is light a good symbol for celebration?
- Cook Well, Eat Well

Choose one of these challenges to complete.

Homework to be handed in week beginning

**Wednesday 13<sup>th</sup> December 2023**

You are also expected to read daily, use TT Rockstars and Spelling Shed

Find out about different types of skeleton.

You could include information about:

- Types of skeleton
- The purpose of skeletons
- Examples of the animals that have each type of skeleton (exoskeleton, endoskeleton, hydro-static skeleton)
- Perhaps you could also include a quiz or game as part of the presentation e.g. guess the skeleton.

Design or make an advent wreath. Draw your design, make a wreath and bring it in or take a photo of your wreath and explain how you made it.

Think about what each candle symbolises.

In French lessons we will be learning colours and shapes.

This will include looking at paintings by Matisse. Can you find out about the artist Matisse? What type of paintings did he paint?

Learn a new Christmas carol. Can you add any actions or add any instruments? You can perform it at school if you're feeling brave - I'm sure we'll all join in!
