

English

We will be focusing on the story, *The Queen's Hat*. We will be exploring the famous landmarks of London as we follow the journey that the hat takes! Children will be using a wide variety of vocabulary for description and considering how to make their own stories interesting for the reader.

Science

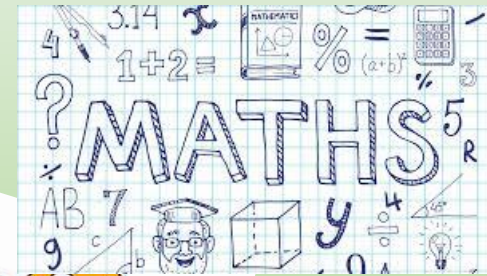

During our science lessons, we are going to continue to find out about animals, including animals and their offspring and lifecycles.

Maths

In maths this half term, Year 1 will be learning about Addition and Subtraction.

Year 2 will be developing their Multiplication and Division understanding.

Computing

In our computing lesson, children will be using the programming app Scratch to explore algorithms. Children will write their own code and have opportunities to 'debug'.

Year 1&2
Spring 1

RE

Our questions for this term is;
What is the good news that Jesus brings?

Discovery

Art and Design

Our theme for this half term is: Sun and sunrays. Children will explore transient art using natural materials and link this to weather.

Design and Technology

In DT, we will be making a model taxi including the wheels, axel and chassis. This links nicely to all our learning about London in our geography and English lessons.

Phonics

Children will continue to build on their phonics knowledge, learning new sounds each week. Children will learn how to read new sounds in words and how to apply this to their writing. They will also learn to read these sounds in nonsense words.

PSHE

Our topic this term is, **Healthy Me.**
