

1) Click on the link <https://www.bbc.co.uk/bitesize/topics/z6882hv/articles/zfm84xs> or scan the QR code to find out about mammals.

2) Log into Numbots or Times Table Rock Stars and practise your number facts and times tables.

3) Practise your weekly spellings. These will be given out on Monday and spelling tests will take place on a Friday.

4) Create a list of different mammals and invertebrates that you might find in the UK.

Mammals	Invertebrate

St Mary and St Giles Church of England School

Home Learning

Year 1&2

Animals and Rain and Sunrises

Spring 2

Choose some of these challenges to complete at home. You will need to submit your work during the week beginning 25th March 2024

You are also expected to complete regular reading, number bonds, spelling and phonics practice.

5) Find out more about the seasons and weather in the UK by using the link or scanning the QR code. <https://www.bbc.co.uk/bitesize/topics/zndc96f/articles/zp4sydm>

6) Go on a walk in your local area with your family and collect natural materials such as twigs, pine cones, leaves and stones. Can you create different pictures with the materials? Take a photo of your art work.

7) Monitor the weather for your local area and complete a daily weather diary.

Draw the correct weather symbol for each day.
