

## English

We will be focusing on the story, *The Bear and the Piano* by David Litchfield. We will be learning all the skills to help us to write our own adventure story.

## Science

During our science lessons, we will be learning about habitats and the animals and plants that live and grow there.

## Computing

Our topic this half term is, We are Researchers. We will learn to; work collaboratively in groups, develop research skills through searching for information on the Internet, think about privacy when searching online, evaluate online information  
And develop presentation skills by creating and delivering a multimedia presentation.

## Phonics

Children will continue to build on their phonics knowledge, revisiting previously taught sounds. Children will be reading lots nonsense words in preparation for the phonics screening check in June.

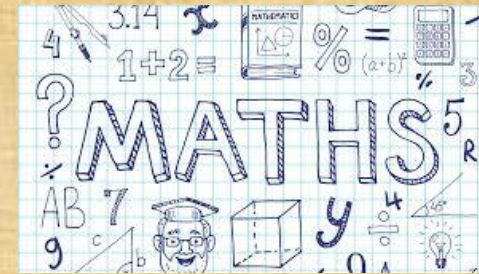

## Year 1&2 Summer 1

## Maths

In maths this half term, Year 1 will be learning about Mass and Volume, Multiplication and Division and Fractions.

Year 2 will be learning about Fractions and Time.

## RE

Our questions for this term is; Are some stories more important than others?

What can I learn from stories from religious traditions?

Should people follow religious leaders and teachings?

## PSHE

Our topic this term is: Relationships

## Discovery

### Art and Design

Our theme for this half term is: Street View. We will be exploring the art work of streets and buildings by James Rizzi.

### History

In history, we are learning about the Great Fire of London and also the Fire of Stony Stratford. We will find out about Samuel Pepys and how the fire started.
