

Sunshine and Sunflowers

In the Sunshine and Sunflowers project your child will explore their local environment and see how it has changed throughout the year. They will grow flowers, fruit and vegetables in the garden area. They will learn how to care for plants and animals, identifying some different types. They will take part in outdoor learning activities and find out how to stay safe in the sun.

Shadows and reflections

In the Shadows and Reflections project your child will learn about natural phenomena, including shadows, reflections and echoes. They will find out how shadows are formed and how they change shape and size through the day. They will explore how different materials and surfaces reflect light.

PSED— Self—regulation, managing self and building relationships.

EAD—creating with materials, Being imaginative and expressive.

TW— People, culture and communities and the natural world.

PE

PE will take place every Monday and day Thursday will be taught these lesson by our PE coach Mr. Cooksley. Children will need to arrive at school in PE kit on these days. No earrings are to be worn for PE.
